THIS IS YOUR MAGAZINE. DO YOU LIKE IT? IF SO, WHY? IF NO, WHY NOT?

Every now and again it is wise to review any continuing activity. So it should be with this state journal. The editor respectfully seeks your comments on this journal. Which features do you like the most? Which would you rather see discontinued? What should be the major goal for publishing this journal? Would you like to see more or less humor (cartoons, etc.)? Should the music puzzle be continued? In short, WHAT DO YOU THINK?

Please take a few moments to convey your thoughts to us. If we are doing well, tell us, if not, be sure to tell us.
